Remote Teaching and Learning Plan

Introduction

In response to this time of uncertainty regarding school closures, we have formulated this policy to outline how our school will maintain the link between school and home. In the event of another whole or partial school closure, we aim to continue to communicate with our pupils through various means. We recognise that online safety is of huge importance and the aim of this document is to help to protect both school staff and pupils, while teaching and learning online.

This policy does not set out to replace our Mobile Phone or Acceptable Usage Policy. Rather, it is proposed as an important addition to the area of learning from a digital platform. The policy presented here should be read also in tandem with our school's Code of Behaviour Policy and Anti-Bullying (including Cyber Bullying) Policy.

The primary obligation of all schools is to the welfare of the learners in their school. This policy, therefore, seeks to ensure that remote learning is safe for all student learners and that personal and sensitive data is also protected under GDPR legislation. Schools must ensure that learning takes place in an environment that is respectful and fair and meets its statutory duties.

This Policy has been formulated in accordance with the provisions of the Department of Education and relevant sections of:

The Education Act (1998)

Education (Welfare) Act (2000)

Equal Status Act (2000)

Education for Persons with Special Educational Needs Act (2004)

Disability Act (2005)

Children First Act (2017)

GDPR Data Protection Act (2018)

Department of Education: Child Protection Procedures for Primary schools NEWB Guidelines for Developing a Code of Behaviour (2008).

DES Guidance on Continuity of Schooling for Primary Schools (May 2020)

DES Guidance on Continuity of Schooling: Supporting Primary Pupils at very High Risk to Covid 19 (August 2020).

Guidance on Remote Learning in a COVID-19 Context: September – December 2020

This is a working document. As we continue to explore options available to support distance learning, the document will be updated accordingly.

Context

Teaching and Learning is always evolving, especially, as we move deeper into the 21st century. Developments in IT provide us all with great opportunities as learners and teachers. Never before has there been greater scope to learn using technology and it continues to change the learning relationship between teachers and students. Advances in technology mean that assignments can be delivered remotely and that greater access to information on the internet affords the opportunities for real learning to take place under the watchful and professional guidance of the teacher. However, whether a child is being directed remotely or via a traditional classroom environment, it is very important that all partners are aware that once a learning exchange takes place between a student and teacher, whether at home or school, the same statutory rules apply i.e. the school's Code of Positive Behaviour and all of the school's policies apply.

We recognise that online collaboration is essential for distance learning and that families are in favour of increased opportunities to maintain the connection between school and home. Scoil an Linbh Íosa uses a variety of child friendly, online tools, which assist in providing more effective teaching and learning, while also enabling greater communication between staff, families and students.

Guidelines for good online communication in Scoil an Linbh Íosa

Under no circumstances should pictures or recordings be taken of video calls.

Staff, families and students are expected to behave in an appropriate, safe, respectful and kind manner online.

It is the duty of parents/guardians to supervise children while they are working online and to ensure that any content submitted to their teacher is appropriate.

Staff members will communicate with pupils and their families via Email, Seesaw, Zoom, Google Meet, Google Classroom, and Aladdin Connect).

Any electronic forms of communication will be for educational purposes and to allow for communication with families.

Students and staff will communicate using tools which have been approved by the school and of which parents have been notified (E mail, Seesaw, Zoom, Google Meet, Google Classroom, and Aladdin Connect).

Parental permission will be acquired before setting up a profile for a pupil on a communication forum.

For Google Meet/Zoom calls, parental permission is implied, as the link to a video call will be communicated via the parent/guardian's email address. Essentially, by virtue of the pupil logging on to the call, permission is assumed.

For security reasons, passwords will be provided to families, where applicable.

Scoil an Linbh Íosa cannot accept responsibility for the security of online platforms, in the event that they are compromised.

Scoil an Linbh Íosa will use online platforms for communicating and connecting with families/pupils.

Our 'Remote Teaching and Learning Plan' will include a combination of assigned work, pre-recorded lessons (Seesaw/Google Classroom) and live sessions (Zoom and Google Meet).

Media which our school will use:

- Aladdin Connect/Email

Staff will communicate regularly with parents and pupils via Aladdin Connect and email. All families are asked to ensure the school has an up-to-date email address for one parent and to check this regularly for updates and important information.

Each teacher has an e-mail address through which he/she will communicate with parents/guardians and vice versa. Parental queries will be addressed during school hours only (9:00-3.00) and should relate strictly to your child's teaching and learning.

- Seesaw

Seesaw Class App is the main platform we will be using for remote learning from Junior Infants to fourth class. Teacher will upload messages, lessons and assign tasks for our pupils to connect to their folder and they then have the option of uploading items to their folder for their teacher to see. Children who have access to an SEN teacher will have an additional Seesaw account which should also be accessed during periods of remote learning

- Google Classroom.

Google Classroom is the main platform we will be using for remote learning for fifth and sixth class. Teacher will upload messages, lessons and assign tasks for our pupils to connect to their folder and they then have the option of uploading items to their folder for their teacher to see. Children who have access to an SEN teacher will have an additional Seesaw account which should also be accessed during periods of remote learning

- Zoom/Google Meet

Zoom and Google Meet are video-conferencing platforms which will enable teachers, staff and pupils to connect via a live link. Teachers will connect with pupils where necessary using pre-arranged Zoom and Google Meetings.

Information on the use of the above platforms is available on our school website
www.killymard.com

Rules for pupils using online communication:

For submitting learning:

Submit work and pictures that are appropriate - have an adult take a look at your work before you send it.

Use kind and friendly words.

For Google Meet/Zoom:

Remember to ensure you join each Google Meet/ Zoom meeting using your family name.

Pictures or recordings of the video call are not allowed.

Remember our school rules - they are still in place, even online.

Set up your device in a quiet space, with no distractions in the background.

Join the video with your microphone muted.

Raise your hand before speaking, just like you would do in class.

If you have the chance to talk, speak in your normal voice, using kind and friendly words.

Show respect by listening to others while they are speaking.

Ensure that you are dressed appropriately for the video call.

Be on time - set a reminder if it helps. Enjoy!

Guidelines for parents and guardians for learning

It is the responsibility of parents and guardians to ensure that pupils are supervised while they work online.

Check over the work which pupils send to their teacher, ensuring it is appropriate.

Continue to revise online safety measures with pupils

For Google Meet/Zoom

Under no circumstances should pictures or recordings be taken of video calls.

Ensure that the school has the correct email address for inviting you to join apps and meetings.

The main purpose of a video call is to engage in online learning activities while maintaining a social connection between the school staff and pupils.

Encourage pupils to listen and enjoy the experience.

Be aware that when participating in group video calls, you can be seen and heard unless you are muted or have disabled your camera.

You will automatically enter a waiting room when the code for a Google Meet/Zoom call has been entered.

Please note that school staff will only accept users into video call if you can be identified by the display name on your Zoom/Google account. (I.e. Family Name)

Please ensure that your child is on time for a scheduled video, or they may be locked out.

Please request to join the Zoom call approximately five minutes before the scheduled start time. This will give school staff time to verify your email address.

Make sure to familiarise your child with the software in advance. For video in particular, show them how to mute/unmute and turn the camera on/off.

Participants in the call should be dressed appropriately.

An appropriate background/room should be chosen for the video call.

For detailed information on GDPR and Zoom, please visit <https://zoom.us/privacy>

It is important to note that any breach of the above guidelines will result in a discontinuation of this method of communication. A breach may also result in a person being immediately removed from a meeting or a meeting being immediately terminated.

Remote Teaching and Learning Protocols for Pupils

Check assigned work each week.

Communication may only take place during normal school hours.

The normal school calendar will apply.

The following school policies apply to remote teaching and learning:

Code of Behaviour

Anti- Bullying Policy

Acceptable Use Policy

Teaching and Learning best practice will continue to apply, with students expected to present all assignments to the best of their ability and on time, where possible in this evolving and unprecedented situation. In so far as possible, provision for SEN students will be made when using Remote Learning methodologies. In so far as possible, provision for student at very high-risk to Covid 19 will be made when using Remote Learning methodologies.

Remote Teaching and Learning Protocols for Parents

We ask parents/guardians to ensure protocols for students are adhered to.

Check-in on their child's school work on a daily basis and talk to their child about the work being assigned. The health and wellbeing of all is paramount. Circumstances may change for any of us

unexpectedly, teachers or parents, so please keep schooling in perspective and do not allow anything school related to impinge on your child negatively. You are the primary educator of your child and you make those calls. We encourage a little work every week day for routine. We provide work and guidance and ask parents and pupils to do their best and that is all.

Remote Teaching and Learning Protocols for Teachers/SNA's

Check uploaded work each week

Communication may only take place during normal school hours

The normal school calendar will apply

The following school policies apply to remote teaching and learning:

Child Protection Policy

Data Protection Policy

Teaching and Learning best practice will continue to apply with students expected to present all assignments to the best of their ability and on time, where possible.

Remote Teaching and Learning Provision specifically for the following Covid 19 related scenarios

Provision for children who are at very high risk to Covid 19:

The school will engage directly with relevant parents, regarding remote educational provision for children who are deemed to be at very high risk to Covid-19 (see HSE Guidelines) where medical certification has been provided to the school.

Provision for all other children who are instructed to self-isolate by their GP or HSE Public Health, educational provision will be provided as follows:

1.Children who are awaiting Covid 19 test results for themselves or family member and have been instructed by their GP to isolate at home for a few days.

These pupils will be supported to catch up on their learning on their return to school.

2. Children isolating at home on instruction from their GP due to a confirmed case within their own family/close contact outside of school (14-day isolation period).

Teacher will link in with the pupil via See-Saw/Google Classroom or email (not video conferencing) to assign work.

3. School POD (group of six) instructed by HSE Public Health to self-isolate.

Teacher will link in with the pupils via See-Saw /Google Classroom or email (not video conferencing) to assign work.

4. School bubble (whole class) instructed by HSE Public Health to self-isolate (14 day isolation period).

Teacher will engage with the bubble daily on Seesaw or Google Classroom and where necessary on Google Meet or Zoom.

5. Whole school closure as instructed by HSE Public Health (duration of closure will be advised by Public Health)

Teachers will engage daily with pupils, using a blended approach of pre-recorded lessons, Seesaw or Google Classroom and on Google Meet or Zoom when necessary.

Please note that the current situation is quite fluid and these circumstances may vary throughout the year.

Summary:

Do what you can, within your circumstances.

Forget about following books and workbooks outside of the work set by teachers for the moment. There will be no school work set for planned school closures/holidays. There will be no interaction on Google Meet, Zoom, Seesaw or Google Classroom during these times.

Please keep abreast of Aladdin Connect – as it is our main mode of communication going forward. We ask parents/guardians, students and teachers to ensure protocols are adhered to at all times.

If you have yet to connect to any of the on-line platforms, please do so. If you are experiencing difficulties please email the school www.killymardschool@gmail.com and we will assist you in any way that we can and please contact the school with any further queries you may have.

We thank the school community for adhering to the above guidelines for everyone's safety and welfare.

This plan was ratified by the BOM Scoil an Linbh Íosa at its meeting on 19/01/2021 via Zoom and is subject to change, in light of any guidance or instruction received from Department of Education and Skills/HSE Public Health.
